

To: ETEA Members  
Fr: Jeff Bowden ETEA President  
RE: Technology

The ETEA is searching for interested members looking to get involved in assisting the organization in planning and expanding our services using technology. We are currently asking for assistance in the following areas.

1. Web Page Development
2. External / Internal Communications
3. Technology Support and Infrastructure

If you need additional information please contact me at 732-287-4322. If interested, please fill out the attached application and return directly to the ETEA office by campus mail.
